SENATOR WARNER: I would like to ask the Chair to change my vote. I did not feel, I think the rules already clear but now that the vote has been announced, I'll leave my no vote.

PRESIDENT: The Chair recognizes Senator Mahoney.

SENATOR MAHONEY: Mr. President, I just thought I'd tell the Legislature what the schedule will be this afternoon. The schedule this afternoon will be, we're going to try and I think we can work from 1:30 until 4:30.

PRESIDENT: The question is, shall be be in recess until 1:30. All in favor say aye. Contrary, nay. We are recessed until 1:30.

The Legislature will please be in order. Please record your presence.

CLERK: Senator Kremer and Hasebroock asked to be excused.

PRESIDENT: Would you please record your presence so that we can be in session again. Record.

CLERK: Quorum present.

PRESIDENT: Senator Mahoney.

SENATOR MAHONEY: Mr. President, there is getting to be some absences, so I would plead with the members to stay as long as we can so we can get some bills moving and we still have...Senator Richard Lewis was agreeable to use 577 from the list that was early priority and then we'd move right on to Senator Keyes' bill and finish that up at 123 and then Senator Barnett's 237. At that point, we'll look at the rest of the afternoon and I'm sure that if the membership is still here or we're slipping away, then we'll probably have to adjourn.

PRESIDENT: Senator Mahoney, I wasn't here yesterday at adjournment but I understood that we were to commence with 123.

SENATOR MAHONEY: That will be fine and at that disposal we'll go back then to Senator Barnett's bill and then Senator Richard Lewis'.
